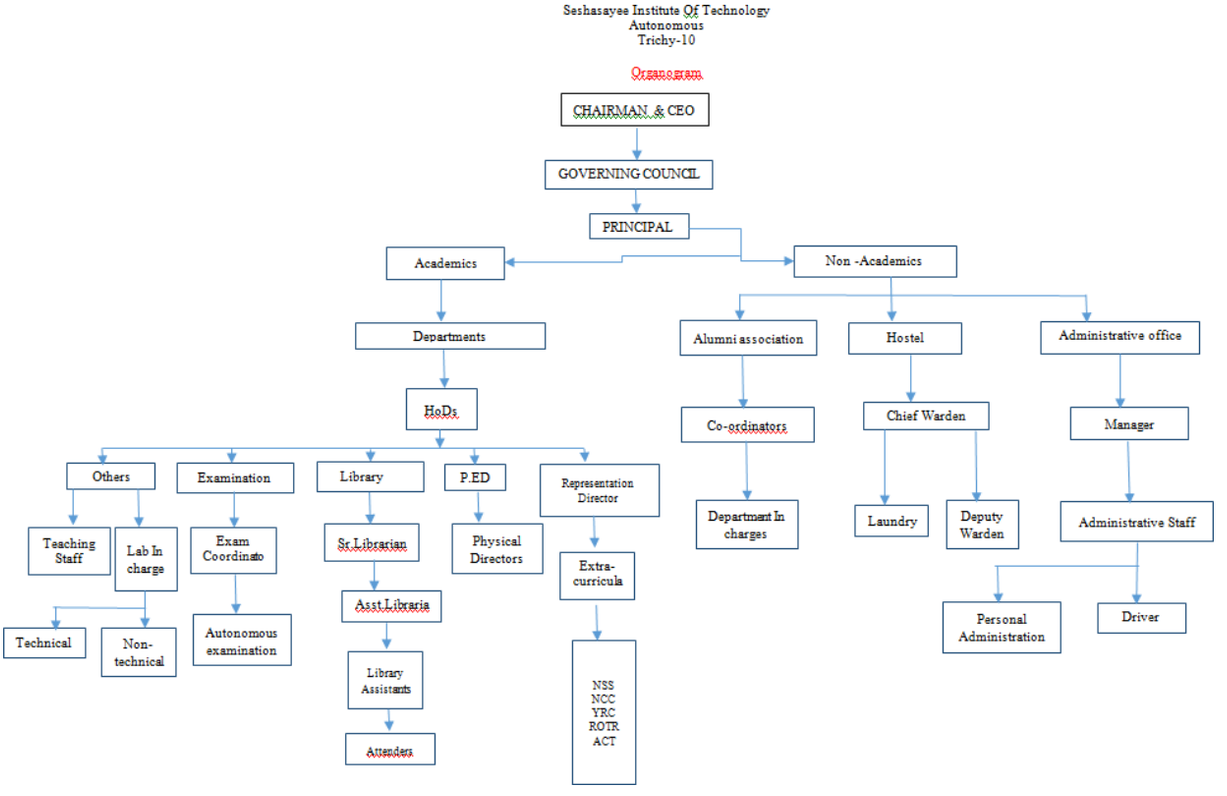
Organizational Chart and Processes



Nature and Extent of involvement of Faculty and students in academicaffairs/improvements
Mechanism/ Norms and Procedure for democratic/ good Governance
Student Feedback on Institutional Governance/ Faculty performance

- At the beginning of each semester, academic events are scheduled by the officials of Controller of Examinations and disseminated to each department and college website.
- Next, the course co-ordinators prepare the course plan following the academic calendarand syllabi for each course. Lab manuals for laboratory courses are prepared before thecommencement of the semester.
- After the reviews of course plan by the Programme Co-ordinator and Head of thedepartment, classes are conducted.
- The following delivery methods/modes are being adapted to achieve course outcomes andprogramme outcomes:
    - Lectures
    - Tutorial
    - Practical classes
    - Theory courses with practical component
    - Mini projects and Projects
    - Seminar classes
    - Guest lectures
    - Group discussion
    - Video lectures
    - Remedial classes
- Each course is assessed according to the nature of the course
- Every teacher is required to maintain an 'Attendance And Assessment Record' for every semester which consists of attendance marked in each theory/Laboratory/EEC class, theassessment marks and the record of class work (topics covered), separately for each Course handled by the teacher

- The institution has adopted a feedback system that takes suggestions from students of each program. This eventually helps to fine-tune the teaching-learning process and the curriculum. The institution follows a well-defined and formal feedback system.
- The feedback from students regarding the quality of teaching is collected during eachsemester, through GCT Portal and Google forms
